ASSOCIATION DES SERVICES D'EDUCATION DES ADULTES ET ECOLES D'ETE DES UNIVERSITES DU CANADA

Au service de tous ceux qui travaillent, au niveau universitaire, dans des services d'éducation permanente ou dans des écoles d'été.

Fondée en 1954, CADESS a depuis tenu régulièrement une assemblée annuelle de ses membres. Ces assemblées furent tenues, à l'origine, dans le cadre du Congrès des sociétés savantes, puis, plus récemment, en étroite collaboration avec l'Association des Universités et Collèges du Canada dont CADESS est membre associé.

Les buts de CADESS sont définis comme suit dans la constitution; l'Association:

a) s'intéresse aux responsabilités universitaires en éducation permanente, qu'il s'agisse de cours menant à un grade ou non;
b) sert de lieu de rencontre et de discussion, au plan régional comme au plan national, pour tout ce qui touche à l'éducation permanente dans les universités;
c) agit comme représentant au Canada et à l'étranger du mouvement d'éducation permanente dans les universités;
d) encourage le maintien et le développement dans les universités et collèges du Canada de programmes en vue de diplômes et de grades;
e) encourage la formation du personnel des services d'éducation permanente des universités par la formation au travail et par des études universitaires. Elle encourage également la formation du personnel éventuel de ces services;
f) stimule et conduit de la recherche sur les activités des universités dans le domaine de l'éducation permanente;
g) assure des contacts étroits avec tous les groupes et associations, au Canada et à l'étranger, qui s'occupent d'éducation permanente.

Appartiennent à CADESS, sur une base volontaire, les institutions, membres en règle de l'AUCC, qui s'intéressent à l'éducation permanente et aux cours d'été. En 1966-67, CADESS comptait trente-neuf institutions membres. La cotisation annuelle est fixée proportionnellement à la participation de l'institution à l'AUCC, avec un minimum de $50.00.

CANADIAN ASSOCIATION OF DEPARTMENTS OF EXTENSION AND SUMMER SCHOOLS

An organization created to serve the interests of those involved in university extension and summer school activity.

CADESS was formed in 1954 and has met annually since that time, originally with the Learned Societies but latterly in closer affiliation with the Association of Universities and Colleges of Canada, of which CADESS is an Associated Organization.

The objectives of CADESS, as stated in the Constitution, are as follows:

a) The Association shall be concerned with the university's responsibility in credit and non-credit extension programs.

b) It shall provide a national and regional forum for the discussion of matters relating to university extension.

c) It shall represent university extension in Canada and internationally.

d) It shall encourage the maintenance and development of diploma and degree programs in extension and adult education in Canadian universities and colleges.

e) It shall promote in-service and graduate training of existing and potential university extension staff.

f) It shall encourage and conduct studies related to university extension activities.

g) It shall maintain active liaison with other groups and associations in Canada and elsewhere which are concerned with adult education.

The membership of CADESS is made up of those institutions in good standing with AUCC which are interested in extension and summer school activities and which choose to join. During the year 1966-67, thirty-nine institutions belonged. The annual membership fee is set as a proportion of the fee the institution pays to AUCC, with a minimum of $50.00.

L'Assemblée annuelle a la responsabilité de la gérance de CADESS. Entre les assemblées annuelles, l'administration est assurée par un Comité exécutif; ce Comité est composé du président, du président élu, du secrétaire-trésorier, du président sortant de charge et de quatre autres membres, tous élus à l'Assemblée annuelle.

Au calendrier des activités de CADESS cette année, mentionnons:

1. Assemblée annuelle et colloque;
2. publication d'un annuaire des cours par correspondance donnés par les universités du Canada;
3. publication d'un annuaire du personnel des services d'éducation permanente des universités du Canada;
4. fonds en fidéicommis, établi à l'aide contributions volontaires des institutions membres, qui sert à aider financièrement au besoin les employés des services d'éducation permanente des universités étrangères qui visitent le Canada, ou les employés canadiens qui se trouvent à l'étranger;
5. collaboration avec l'Ontario Institute for Studies in Education pour la mise sur pied d'une session intensive à l'intention des administrateurs des services d'éducation permanente;
6. publication en 1967 des résultats d'une enquête sur le status, le salaire, etc., des employés des services d'éducation permanente;
7. publication d'une enquête sur les inscriptions aux programmes d'éducation permanente;
8. rencontres à l'échelon régional et ateliers de perfectionnement professionnel;
9. autres enquêtes et études.

The affairs of CADESS are managed by the Annual Meeting and between meetings by the Executive Committee. The Executive is made up of President, President-Elect, Secretary-Treasurer, Past-President and four other members, all elected by the Annual Meeting.

On-going and current activities of CADESS include the following:

1. Annual Meeting and Conference.
2. Annual publication of "Canadian University Correspondence Courses".
3. Publication of an annual "Directory of Personnel" of Canadian Extension Departments.
4. A Trust Fund made up of voluntary contributions from member institutions which provides financial assistance, where needed, for foreign university extension workers who are visiting Canada and for Canadian extension workers travelling abroad.
5. Co-operation with the Ontario Institute for Studies in Education on a proposed short course for extension administrators.
6. Publication in 1967 of the results of a survey on status, salaries, etc., of extension department staff.
7. Publication of a survey of enrollments in extension programs.
8. Regional meetings and training sessions.
9. Other studies and surveys as appropriate.
